

# HANNAH FOR ABBY DISC GOLF FUNDRAISER

We cordially invite you to participate as a sponsor for the Hannah for Abby Fundraising Event. This event is sponsored by Flight Club Disc Golf League and Acadiana Disc Golf Association and has been organized as a fundraising event to raise money to help offset the cost of a Peanut Detection Dog named Hannah for friend and family member Abby Mondy.

Abby is teenage student and athlete that suffers from a severe peanut allergy. Her allergy has recently become so severe that she had to be rushed to the hospital from school recently. Abby is a well-rounded student and avid athlete. She will be attending college soon and a Peanut Detection Dog is a great fit for her as a tool to help detect and prevent reactions. However, this tool comes at a price. The cost of Abby's Peanut Dog will be \$15,000. College can be stressful enough as it is, especially paying tuition. We want to encourage her to continue her plans for participating in studies and sports after high school so we are trying to help raise money for her cause.

We are hosting a Disc Golf event on February 7th 2015 to help raise money for Abby's dog. Proceeds for this event will go towards her dog and its training. We are appreciative of any donations monetary or in-kind. Any tangible donations we receive will be used in raffles or as prizes for the event.

We will display your logo (if given) on our website as well as mention your name at the beginning of the event.

**We are also offering T-Shirt Sponsorship spots for \$100 sponsors. We will place your logo on our custom shirts made for this event in addition to the mention and placement on our websites.**
